There is a man in our town  
(His name my memory slips)  
Who kissed ten thousand microbes  
Off his sweetheart's ruby lips.  
And when he found what he had done,  
With all his might and main  
He rushed up there another night  
And kissed them on again.

## M. E. CONFERENCE

Summary of What Was Done by the Pastors Yesterday.

### PROGRAM OF TODAY'S SESSION.

"Bonum est confiteri" was the spirit prevailing yesterday morning at the devotional service, which went preliminary to the business session of the day, and when Bishop Nindé took the chair at 9:30 o'clock a holy hush prevailed, even more solemn as the venerable and beloved head of the Church prepared to speak a few words of cheer, comfort and admonition, which went as a "magnificent" from devout hearts to God Almighty; then when the business of the day was opened quick minds, sound judgment and ability were revealed, because God was in the midst.

Under the thirteenth question of the Discipline, C. J. Howes was called and passed, together with several other Elders, who in turn reported their Districts.

Under the fifth question, "Who have been continued on trial?" four probationers were dismissed, three passed, three continued for one year and one for two years.

Ninth question of the Discipline, "What numbers are in fourth year studies?" nine examined, some recommended for continued studies, others passed to the Ministry.

M. S. Hord, G. S. Savage, Howard T. Cree, C. M. Horn, G. D. French and J. D. Redd were introduced to Conference.

A. E. French, in the interest of the American Bible Society, gave a most pleasant exegesis of his work.

David B. Moore, D.D., who is the able Editor of The Western Christian Advocate, presented delightfully the advantages and value of his journal to the Church and individuals.

Rev. Manly C. Hord again spoke for Church Extension, an ever fruitful theme and one always enlightening the ear and wisdom of the brethren.

That noble eulogist of the Church, Christ's Hospital, Cincinnati, was extolled by Mr. R. C. Weakly.

Trinity Church, Louisville, was selected as the next place in which to hold the Conference in 1899.

With the singing of the Doxology and Rev. Boring pronouncing the Benediction, the business for the day closed.

At 7:30 the evening session was spiritual and leucal, the subject being "Anniversary Preachers' Relief Society."

The statistical side of the argument can be briefly told in these few figures. The fund now amounts to \$17,000, the interest according to the plan annually is prorated among some twenty-five superannuated Ministers or their widows or orphans. Many streams run into the main fund, which yearly increases the principal. No Minister is a beneficiary unless he is a subscriber to the Preachers' Relief Society and all are expected to be who are in the Church.

Following is the program for today and tomorrow:

8:30 a. m.—Devotional.  
9 a. m.—Business session.  
2 p. m.—Business session.  
7:30 p. m.—Anniversary Freedman's Aid and Southern Educational Society. Speaker, Dr. M. C. B. Mason, Cincinnati.

## WILL ARRIVE TODAY.

Dr. and Mrs. William Honan of New York City Come For a Visit.

Dr. and Mrs. William Honan of New York City will arrive in Maysville today for a visit to the former's parents, Mr. and Mrs. A. F. Honan, of the Sixth Ward.

It will be gratifying news to Will's friends to hear of his success in his profession. He is fast mounting the ladder; even now many of his patients are from the "400" of that great city, while for the summer season he is the house physician in the New Mathewson at Narragansett Pier, R. I., a most magnificent building and full of rich, influential guests.

Dr. Honan married Miss Ida Closson of New York, a rich, beautiful queen of society, who has this summer resided as a social queen at the Pier.

## JUDGE WALL TOUCHED.

He Changed a Bill, and Then His Pocket-book Changed Ownership.

Judge Garrett S. Wall of this city, after viewing the big G. A. R. parade in Cincinnati, had a bill changed at the Gibson House.

He then started to go to the St. Nicholas Hotel.

At Fourth and Vine streets two young men kindly assisted the Judge over the wire rope stretched along the sidewalk.

He had gone but a few feet when he discovered that his pocketbook, containing about \$5 and a lot of valuable papers, had gone also.

The Judge believes the men saw him change the bill at the Gibson and then followed him; or it may be that when he attempted to replace his pocketbook it dropped to the sidewalk.

He says if the finder will return the papers he can have the money.

## WE MAKE IT A POINT

To have our best lines in all our departments come in the middle of August. In a few days many of our young friends will resume their studies—some at home, others in foreign educational institutes. It has always been our pride to send the boys well dressed. No matter what town or city they go to Hechinger's clothes wearers are the proper dressed youngsters. For this fall we made greater efforts than ever to supply ourselves, and consequently you, with the noblest clothing that fashion subscribes. Our fall Suits and Overcoats are the highest types of merchant tailoring art. Our stock represents the production of the acknowledged leading houses in the country. Our line of Shirts, Underwear, Hats, Ties, etc., is simply great. If the young miss needs a nice trunk we can supply you.

SHOES!

The results in our Shoe Department, though not a year old, are gratifying to us and fully as much to our shoe patrons. "The most comfortable pair of shoes I've worn for years" is the universal expression of those that wear them. Our \$2, \$2.50 and \$3 Smith & Stoughton French Calf Common Sense Shoes are the best in the market. Every pair we sell is made for us and warranted to give satisfaction. Money refunded if they don't. Our high-class Shoes, such as Vici Kid, Russian Calf, Patent Leather, Cordovan, &c., all of which are specially made for us by the Burt-Packard people, Brockton, Mass., fill the long felt wants in Maysville's shoe trade. We are daily receiving our fall stock in these lines. If your summer shoes are about worn out and you think it late to buy lightweight footwear we can fit you in the coming style of Fall Shoes. Respectfully,

HECHINGER & CO

LEADERS IN FINE CLOTHING AND SHOES.

## THE BEE HIVE. New Dress Goods FOR FALL

One customer, who is a competent judge, after giving our Dress Goods stock a thorough and critical inspection, frankly remarked that after visiting many stores and examining their stocks of Dress Goods, she could find nothing in this vicinity that in any way compared with ours. We believe this to be the opinion of not only scores but hundreds of people. You'll agree with the others if you'll but give our Dress Goods' stock a look.

At 25c. there is a great line of Serges and Novelties of regular 50c. value. At 50c. there is roll after roll of black, figured and colored Novelty Goods, which is about the price the ordinary dealer pays for 'em, a saving to you of at least 25c. a yard.

We have made a great effort to have the very best Crepon at \$1 that could be procured and have succeeded. Other Crepons at \$1.35, \$1.50 and \$1.95. Some of these come in black and the new shades of brown and green.

And then there are Venetians, English Suitings, Cheviots, (in the new rough effects) high-grade Serges and Henriettas, all at prices that mean a saving to you of at least 25 per cent.

A great and choice stock indeed and well worthy of your early inspection.
